**Dear**

## **Election Result**

Thank you to all voters who participated in the Walbrook Ward Elections. Polling day was Thursday 24 March. The results were as follows:

- Peter Bennett – 106
- Alethea Silk – 113
- James Thomson – 126

Alethea and James were both elected. We are both honoured and delighted to serving the Ward of Walbrook and we look forward to representing you alongside the Alderman for the Ward, John Garbutt.

We would like to thank Peter Bennett for his significant service to the Ward and to the City of London Corporation.

## **Bank Junction Update**

At the next Court of Common Council, it is expected that there will be motion proposing:

- That a report is produced justifying all temporary or other traffic orders currently in force. This will include the various temporary measures put in place following Covid.
- That a traffic order be progressed permitting East-West and East-West access to licenced Hackney carriage drivers ("black cabs") at all times, seven days a week for the better accessibility for all users, safety and security of women, the elderly and vulnerable.

This motion will be supported by us both and has the significant support of many Councillors. We know this to be an important issue for Walbrook Ward. Its businesses, workers and visitors as well as for the broader City.
